1. I am giving you so much more. I am giving you so much more. I am giving you so much more than I have already given. I am giving you Me.
2. Now listen to Me and what I have said and what I have said to you and through you and to Stephen and through Stephen and through us together as one. I give you Me. I am giving you more. I am giving you Me.
3. I come and I call and I conquer and I confirm that I am conquering doubt and all doubt that remains is conquered in Me at My knee and at time with Me, with each other, with My words. I love you. I give you Me.
4. **Go forth unafraid, unafraid of the periods of time where I seem to lack** or I seem to dominate not, where I seem to speak not, where whatever has become between, or lack, or perpetrated itself in ways of not Me. Worry not and think not back upon, but **go forward in Me as I reveal Myself increasingly**.
5. I give you Me. How many times have I said: "I give you Me, I give you Me?" Now I give you more, I give you more and I give you more of Me. Now seek Me first and continue to go forward in Me and My mainframe, My infrastructure coming forth in purity, stainless of Me. I love you.
6. Joy and laughter of only Me. My time, My time here, My time comes forth with My people, My giant-makers giant-making--I love you--with schemes not, but plans of Me at My knee for experiential training of My Mine who come forth now at My University, at My WeekWorks, globalizing My all. I love you.
7. Thank you Stephen.
8. Thank you Me.
9. Thank you you. Thank you My reader/hearer who will **receive My words and offended not be**, but in Me receive Me in My glory in what I am doing this day.

Amen
